

Directions to Chilly Powder from Calais.

From Calais take the A26 direction Paris/Lille. Stay on A26 following signs for Reims. Continue following signs for Dijon and Lyon, on A26, A5 and then A31. Near Dijon take the A39 direction Geneva. Join the A40 still following signs to Geneva. Stay on A40 by-passing Geneva following signs to Chamonix/Milan. Approx 30 miles after Geneva take turn off for Cluses and signs for Morzine/Les Gets. Once through Cluses keep following signs for Morzine through Taninges and Les Gets. Morzine is about ½ hour from Cluses and the total journey time from Calais is about 8 or 9 hours at the motorway speed limit of 130 kmh and having only short stops. The tolls are approx. 60 euros. If you intend taking the more scenic toll free but slower N roads remember that there are no 24hr service stations.

When approaching Morzine take a right turn on a hairpin bend by the Savoie hotel. Stay on main road into the town centre. When approaching the centre the main road bears to the left. Take the turning to the right, which actually goes straight on following signs for Avoriaz. After 500m go straight on at a roundabout. At the next roundabout turn right still following signs for Avoriaz. Stay on main road around a couple of sharp bends. At the next roundabout go straight on which is the first exit following signs for telepherique and Les Prodains. Follow the road right to the end of the valley and the chalet is on the right just before the cable car. We ask you to arrive between 3.00 pm and 7.00pm if possible. If you intend arriving earlier please let us know what time as we will be able to arrange ski passes and equipment hire but will not be able to give you access to your room. You will be able to leave luggage in the ski room.
