

## CHILLY POWDER TRANSFERS

Most of our guests fly to Geneva and we can arrange for you to be picked up at the airport and you have two different options – a shared transfer or a private transfer. Regardless of which option you choose there will be a driver in the arrivals hall with your name on a card. Please note that all of the transfers we arrange on your behalf are on a return basis unless you tell us otherwise.

### Shared Transfer

This means that you will share the transfer mini-bus with other people who are staying in Morzine. To fill the mini-bus and to make the price more cost effective for you, we will wait until the minibus is full or nearly full before leaving the airport. There will be a maximum wait of one hour but because most Chilly Powder guests arrive on a Saturday (the busiest day for transfers) this wait is typically just 20 minutes. If your flight is delayed and you arrive at Geneva airport late for your pre-booked shared transfer, you will be allocated an alternative transfer when you arrive.
